OLD SCHOOL MATES HAD ROYAL GOOD TIME

Cutler Corner Pupils of the Old Days Meet and Effect an Organization.

A royal good time was had at Dewey Park Saturday when more than one hundred old pupils of the Cutler Corner school in Orange, of 40 or 60 years ago, with their descendants, met for a picnic and social time. Between the hours of 10 a. m. and 4 p. m. the party was most pleasantly occupied with poems, songs, readings and anecdotes and happenings of the old school days. The old teachers were recalled with pleasure, and then the party sat down to a good old-fashioned spread.

After the fragments had been gathered up, the assembly was called to order in the pavilion by W. H. Gladding (who, by the way, was a graduate of the old school more than 40 years ago.) It was then decided to form an organization and to meet once each year. The association will be known as the Old Cutler Corner School Association. The officers elected were as follows: President, W. H. Gladding, Barre City; secretary, H. L. Thurston, Barre City; treasurer, Clinton Cutler, Plainfield; executive committee, Alfred Parkhurst of Barre Town, Almon Parkhurst of Barre City and Mrs. Clara Cutler Page of Barre City.

The following is a partial list of those present:

The Marble City.

The town of Kilkenny was built of black marble. In olden days it was known as the Marble City, even the streets having been paved with that substance. Some of the old pavement still exists.
